

November 2021, Prayer Letter

Day and night they never stop saying: "Holy, holy, holy is the Lord God Almighty, who was, and is, and is to come."

"You are worthy, our Lord and God, to receive glory and honour and power, for you created all things, and by your will they were created and have their being."

Rev 4 v 8 and 11

Col 1 v 16—17

Generally when we notice in our diaries at this time of year that daylight saving is coming round again, even though we get that extra hour in bed, the thought of it usually causes our hearts to sink. It gets dark so much earlier and we have to spend more time indoors. We begin to think about the temperature dropping and the need to wrap up in a jumper or blanket and put the heating on.

Our thoughts must seem silly to God who is outside time and eternal, who has given us each day to enjoy, and knows the content of each one of them before they ever come to pass. We put together a little prayer for anyone feeling blue as we move into the winter months.

***Your creation is wonderful Lord, despite how I am feeling now.
You made the sun to rule the day, the moon to rule the night
The seasons are your idea!
Thank you that you are working on our behalf
Whether its summer or winter, dark or light.***

As one of our strongest supporters, we also know you will be thinking about those that are living on the streets and how much harder things will be for them as the temperatures drop and bring a new set of problems to deal with. We always want to thank you for the unique support you give to Shekinah because you understand in a special way the work we are doing and know how to pray well, praying with knowledge.

Partly for that reason we also wanted to tell you that we have recently launched our new website where you will get a much better idea what we look like, where we are and what we are doing. If you head over to the Bath Street page you can see what your authors, Andy, Kristy and Joy actually look like.

Thank you for remembering us in your prayers.
