

June 2022, Prayer Letter

**Let us hold unswervingly to the hope we profess,
For he who promised is faithful.**

Hebrews 10 v 23

Some of you will know that after many years of conversations, we have agreed to leave our Bath Street premises and move into the old Stonehouse Creek Social Club. This will enable us to bring all our services in Plymouth under one roof and provide the opportunity to expand further developing a new range of services. We anticipate the necessary alternations to the building will take 3-4 months but hope we will be in the new building by Christmas.

We would appreciate your prayers for the practical aspects of the renovation and for our painting and decorating team who will carry out the considerable amount of work involved.

For our Bath Street premises which will be particular busy for the next few months as we end the lease on our training centre in Stonehouse Street and relocate our training services there.

And for the mix of emotions this move will bring us all having been at Bath Street for 30 years!

**Thank you Lord for your enduring faithfulness
and provision over the last 30 years.
For the thousands of people we have been able to help
who walked through our doors seeking support and change.**
