

## **August 2022, Prayer Letter**

**Let us hold unswervingly to the hope we profess,  
For he who promised is faithful.**

**Hebrews 10 v 23**

This month we wanted to tell you about a new initiative here at Shekinah called The Learning Exchange. The Learning Exchange supports people to embark on a self-directed programme of learning and activity to develop their strengths and interests. We believe that everyone experiences a sense of personal growth and improved wellbeing through learning, and our purpose is to provide an enjoyable learning experience for every person who participates. There are a wide range of subjects available in Plymouth and Torquay including making right choices, spoon carving, vegan cooking on a budget, forest bathing, spray art and forage walks! We would greatly appreciate your prayers for the success of this new programme and that it will deliver our aim of growth and wellbeing to all who participate.

We would also appreciate your prayer for the additional strain that is being placed on our staff and resources due to a sudden increase in the number of people needing our help. The increase has been caused by the current economic situation and we have had examples of people living at their place of work because they have lost their homes and of others living in their cars because they have nowhere else to go.

**Thank you Lord,  
That although we live in a constantly-changing world  
You never change, your word never changes.  
You are the same yesterday, today and forever.  
Thank you for steadfast love and mercies, new every morning.  
Great is your faithfulness oh Lord.**
