

Shekinah Prayer Letter March 2025

**Oh, give thanks to the Lord, for He is good!
For His mercy endures forever!**

Psalm 136:1

As we step into March, we give thanks to God for His goodness and unending mercy. In an ever-changing world, we are reassured by His steadfast love and sovereignty.

Thank You, Lord, for being so good to us every day.

Thank You for the reassurance this brings in uncertain times. Help us to hold onto this truth, especially on difficult days. We declare that You are good and reign over all!

We also want to express our gratitude for your prayers and support for Shekinah. Your faithfulness has been a blessing, touching lives and restoring hope. As we move forward this March, we pray for continued strength and guidance in all that we do.

May God bless you abundantly. May you experience His goodness and mercy always.
