

## **Shekinah Prayer Letter March 2026**

**The traditional proverb suggests that the weather in March comes in like a lion and goes out like a lamb. Whatever the weather we will experience we are reminded of God's faithfulness as buds begin to burst into bloom, daffodils amass in our parks and gardens and March ushers in Spring once again! With the longer days comes a renewed sense of optimism for the months ahead.**

**At Shekinah we are delighted to have a full schedule of events in place for the year to continue to raise awareness of homelessness and much needed funds.**

**We would ask for your continued prayers for the fruitfulness of the work of our projects, protection for our clients who remain on the streets and renewed strength for our staff and volunteers as they work tirelessly to make a difference.**
