

## **Shekinah Prayer Letter, July 2026**

**God is our refuge and strength,  
an ever-present help in trouble.**

**Ps 46 v 1 (NIV)**

**This month we wanted to ask for your prayers for our clients  
as they deal with the impact of the extreme heat we are  
experiencing.**

**With limited access to clean drinking water, shade and  
showers the effects can be profound. They are at heightened  
risk of dehydration, heatstroke and third-degree burns from  
sleeping on hot pavements. Sunburn is also a major factor  
and we recently appealed for donations of suncream to help  
meet demand.**

**Heavenly Father,**

**We bring before you all who are suffering in the extreme  
heat, in particular the elderly and those without homes.  
You are our refuge and strength, an ever-present help in  
times of trouble and we ask for protection during the  
heatwaves we are experiencing.**

**Send relief in ways that only You can - through the kindness  
of strangers, open doors and resources that meet urgent  
needs.**

**May your love reach those most in need today.**

**Amen**
