

Shekinah Prayer Letter, September 2026

Recently I have been reflecting on John 6:1-14, the story of the boy who gave his five loaves and two fishes to Jesus. What seemed like a small and insignificant offering in the face of great need, became more than enough when placed in Christ's hands. It fed and blessed thousands of people, not to mention the disciples who had been tasked with finding enough food!

This passage reminds me of the many ways God provides for our clients through the generosity and faithfulness of the local community. While practical and financial support is vital, the prayerful partnership of local churches is just as important. Every prayer offered during a Sunday service, prayer meeting or in a quiet moment at home is an offering placed into God's hands.

We may not always see the immediate results of those prayers, but we regularly witness the fruit in the lives of people finding hope amid hardship, in doors opening at just the right time and in the constant strength and compassion given to staff and volunteers. Like the boy's lunch, each prayer offered in faith becomes part of something far greater than any of us could accomplish alone.

Thank you for faithfully standing with us month in month out. Your support reminds us that we are a small part of a wider community across our city, united in bringing hope, comfort, and practical help to some of the most vulnerable people around us.
